

# GH634

## 110 RM

NON-GMO;  
ROUNDUP READY® CORN 2;  
GENUITY® VT TRIPLE PRO®  
RIB COMPLETE® CORN BLEND

GH634 is a widely adaptable hybrid. This line will perform wherever you place it and is a go-to for stress-prone fields. With its attractive fall appearance it is a pleasure to grow. It will get the neighbors talking.

GH634 possesses a health package that was top notch against southern rust in 2016. This is a strong line that holds together great in the fall and delivers very consistent yields for producers. A strong health package enables this line to yield well with fewer inputs.

- Very good stalks and roots
- Widely adapted hybrid
- Consistent ears
- Attractive fall appearance

### IDEAL PLACEMENT

GH634 can handle any field when planted at the correct population for that field; high populations are needed for high yields with GH634

### PLANT ATTRIBUTES

|                          |                  |
|--------------------------|------------------|
| <b>Maturity</b>          | 110              |
| <b>Plant Height</b>      | Medium           |
| <b>Ear Height</b>        | Medium           |
| <b>Ear Type</b>          | Semi-Determinate |
| <b>Stalk</b>             | Very Good        |
| <b>Root</b>              | Very Good        |
| <b>Test Weight</b>       | Very Good        |
| <b>Kernal Rows</b>       | 14-16            |
| <b>Stay Green</b>        | Average          |
| <b>Green Snap</b>        | Very Good        |
| <b>Pop. Tolerance</b>    | 32-36            |
| <b>Early Plant Vigor</b> | Good             |

### HEALTH ATTRIBUTES

|                             |           |
|-----------------------------|-----------|
| <b>Drought Tolerance</b>    | Very Good |
| <b>Gray Leaf Spot</b>       | Excellent |
| <b>Southern Leaf Blight</b> | Excellent |
| <b>Goss's Wilt</b>          | Good      |
| <b>Common Rust</b>          | Good      |
| <b>Southern Rust</b>        | Very Good |
| <b>Stalk Anthracnose</b>    | Average   |
| <b>Diplodia</b>             | Average   |

### NOTES

**LEGAL:** Before opening a bag of seed, be sure to read, understand and accept the stewardship requirements, including applicable refuge requirements for insect resistance management, for the biotechnology traits expressed in the seed as set forth in the technology agreement that you sign. By opening and using a bag of seed, you are reaffirming your obligation to comply with the most recent stewardship requirements. Monsanto Company is a member of Excellence Through Stewardship® (ETS). Monsanto products are commercialized in accordance with ETS Product Launch Stewardship Guidance, and in compliance with Monsanto's Policy for Commercialization of Biotechnology-Derived Plant Products in Commodity Crops. This product has been approved for import into key export markets with functioning regulatory systems. Any crop material produced from this product can only be exported to, or used,

processed or sold in countries where all necessary regulatory approvals have been granted. It is a violation of national and international law to move material containing biotech traits across boundaries into nations where import is not permitted. Growers should talk to their grain handler or product purchaser to confirm their buying position for this product. Excellence Through Stewardship® is a registered trademark of Biotechnology Industry Organization. B.T. products may not yet be registered in all states. Check with your Monsanto representative for the registration status in your state. IMPORTANT IRM INFORMATION: Genuity® RIB Complete® corn blend products do not require the planting of a structured refuge except in the Cotton-Growing Area where corn earworm is a significant pest. Always read and follow IRM requirements. ALWAYS READ AND FOLLOW PESTICIDE LABEL DIRECTIONS. Roundup Ready

2 Xtend Soybeans contains genes that confer tolerance to glyphosate and dicamba. Glyphosate herbicides will kill crops that are not tolerant to glyphosate. Dicamba will kill crops that are not tolerant to dicamba. Contact your Monsanto dealer or refer to Monsanto's Technology Use Guide for recommended Roundup Ready® Xtend Crop System weed control programs.
